STONEWALL SPORTS
RALEIGH INC.
MEMBER FINANCIAL
REPORT**

Introduction to the Treasurer

Hello Stonewall Sports Raleigh Members,

I hope everyone has been having a great year being in Stonewall Raleigh! Before I explain the Member Report, I want to take some time and officially introduce myself to you all. Being a Board Member usually means we operate 'behind the curtain' without many people knowing who we are, what we do, or even that we exist.

For those who do not know me, my name is Johnny Deem and I was elected Treasurer of Stonewall Sports Raleigh in July 2020. I moved to Raleigh two and a half years ago from Albany, NY where I served as Treasurer of Albany Empire Soccer Club Inc., upstate New York's only LGBT+ soccer club. For the past two years, I have loved every minute of being in Raleigh and Stonewall is the main reason for that. The league has provided me the opportunity to not only play sports, but to meet some amazing people and friends. I felt it was my turn to give back to this organization that has welcomed me with open arms. In my professional life, I work as a Certified Public Accountant (CPA) for a large international firm dealing specifically in Forensic Accounting and Regulatory Compliance.

One of my main goals when I began my term was to be more financially transparent to our Members. As each person pays to participate in the league, I believe they deserve to know how their fees are utilized by the organization. I also think it's important for our Members to understand the organization's fiscal processes and how finances play a part in the Board's decisions.

As the Treasurer, it is part of my responsibility to approve major purchases, compile all company transactions, create annual financial reports, prepare budgets, and file the required tax forms to the IRS. My term is two years and I'll continue to serve you all to my best ability during that time. I hope you take some time to review the Stonewall Raleigh Member Financial Report and get a further understanding of the organization.

Thank you for being a part of Stonewall Sports Raleigh Inc. especially during these turbulent times. This organization would not exist without you and we hope you continue to participate each season.

Jonathan Deem, CPA

Treasurer, Stonewall Sports Raleigh Inc.

Purpose of a Member Financial Report

In every publicly traded company, those who buy stock are called shareholders. When a company has shareholders, they are required to publicly release their financial statements with an overview of the year's fiscal performance. This publicly released document is called a Shareholder's Annual Report. Since our members pay to join a league sport every season, I wanted to create a document that is similar to a Shareholders Report; thus, this document is called the Stonewall Sports Raleigh Member Financial Report and it will include the financial statements for 2019, 2020, and 2021 as well as an overview of each year's activities.

I firmly believe it is vital to inform our Members how the organization is operating each year. Going forward, my plan is to release a Member Financial Report at the end of every year. Since Stonewall Sports Raleigh Inc. became independent of the LGBT Center of Raleigh as of June 2019, the organization only became responsible for our own finances starting then. It is part of my responsibility to track these finances and guide our organization to make better fiscal choices. Since the average person doesn't understand financial statements, I've also created an 'Explanation of Terms' section so you can understand what terms mean and what costs are included in each classification.

2019, 2020, and 2021 all presented unique challenges for Stonewall Sports Raleigh: the organization was officially started, COVID-19 began, and the organization had to cancel some sports seasons every year since 2020. This report also includes a section that let's our members know what the organization is planning for 2022.

I hope you'll read through this report to understand where we were, where we currently are, and where we are going in the next few years.

History of Stonewall Sports Raleigh

From 2013 to June of 2019, Stonewall Sports Raleigh operated under the LGBT Center of Raleigh. During that time, the LGBT Center oversaw all financials and reporting to the National Stonewall Board. Starting in June of 2019, Stonewall Sports Raleigh Inc wanted more control over the future of the club and officially filed for Not-For-Profit (NFP) status with the IRS. Finally, in October of 2020, the organization was officially granted 509(a)(2) NFP status and therefore, are required to file annual tax returns. If anyone is interested in viewing past tax returns, please go to www.irs.gov and look under the Charities and Nonprofits section.

2019

2019 was a very pivotal year for Stonewall Sports Raleigh Inc as it was the year the organization split from the LGBT Center of Raleigh and became our own independent not-for-profit organization. Ultimately, by becoming our own organization, it allows the Board more freedom to decide where to lead the organization. Another key benefit to becoming our own organization is having direct control over finances. From 2013 to June of 2019, Stonewall Sports Raleigh was primarily controlled by the LGBT Center of Raleigh. Although the organization still had an executive board, whose main responsibility was to run the day-to-day functions of Stonewall Raleigh, they had no control over purchases, deposits, or donations from each season. Since they officially became an independent not-for-profit organization in June of 2019, the 2019 Statement of Activity represents only six months out of the entire year. It is important to note that the 2019 Net Revenue is vastly higher than any other year because as part of the split from the LGBT Center of Raleigh, the organization was given a \$50,000 deposit for the revenue from 2013 to June 2019. Therefore, absent that deposit, the club had a Net Revenue of \$6,306.07 from its regular activities. The below chart shows Fundraising Events and Member Events Stonewall Sports Raleigh Inc hosted throughout the year.

2020

2020 was an extremely challenging year as COVID-19 forced the cancellation of all sports for Spring, Summer, and Fall. This was the first time since the inaugural season in 2013 that the organization was forced to cancel a season. As it's shown in the financial statements for the year, COVID affected the organization negatively as well since fixed expenses were still incurred during the year and Spring field/court rentals & shirts were already paid for. Therefore, no sports fees could be collected for most of the year and previously collected Springfees were

refunded (if requested during the proper time period). I'm proud that the organization was able to host a few Member Events and Fundraising Events even though sports did not happen. The below chart shows Fundraising Events and Member Events Stonewall Sports Raleigh Inc hosted throughout the year.

2021

In 2021, the organization finally got back to a place of normalcy. After a dulled 2020, they were able to have Summer and Fall sport seasons. In sports, some highlights included having the very first season of Sand Volleyball, two seasons of Kickball, the return of Softball, and beginning registration for Winter 2022 sports. After being cancelled in 2020, Raleigh attended the Stonewall National Tournament in Richmond and sent six teams to the North Carolina All-Star weekend in Wilmington. With the assumption that COVID will subside in 2022, the organization is hoping to host more Member and Fundraising events as well as finally have an entire year of sports. The below chart shows Fundraising Events and Member Events Stonewall Sports Raleigh Inc hosted throughout the year. The next section includes our plans for 2022.

2022 Planned Events

Since the organization's inception in 2019, there has not been a full year without a cancelled season and the presence of COVID-19. This has resulted in minimal hosted events for Stonewall Raleigh members and even fewer fundraising opportunities. With the start of 2022 and Winter

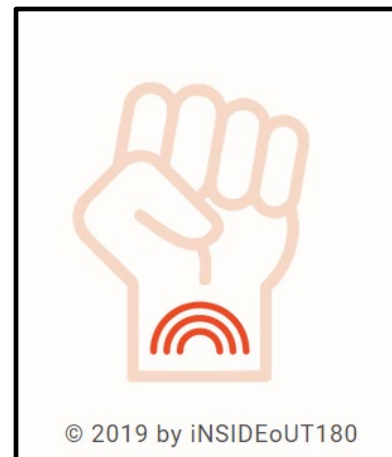

sports, the Board and Social Events and Outreach Committee are hoping for an entirely fresh start for everyone.

The Social Events and Outreach Committee (SEOC) is responsible for planning and executing league-wide monthly and quarterly events, as well as community outreach opportunities. Events and Outreach opportunities are to be planned a season in advance

to allow for Board Approval and proper planning. The SEOC meets as a group once a month to plan and coordinate their activities and committee updates.

The SEOC has been hard at work to plan out and finalize Stonewall Raleigh Member events for the first half of the year (second half is still being approved). The organization is so happy to have sports and member social events back! Please take a look at the future events for 2022 and be on the lookout for the specifics around each event as it happens.

One major plan for 2022 includes donating more money to local North Carolina organizations and to start this year, we are making a pledge to donate to both the LGBT Center of Raleigh and InsideOut180. The LGBT Center of Raleigh has been a partner of Stonewall Sports Raleigh for almost ten years. The organization continue to work together to bring awareness and vital services to the LGBT+ community of Raleigh. InsideOut180 is a Durham based youth-led organization that hosts community events for LGBTQ+ youth. They provide resources, opportunities for leadership, and safe, affirming spaces for queer youth.

Thank you for taking the time to read the first Stonewall Sports Raleigh Inc. Member Financial Report! I hope this gave you all insight into the Board and the organization's finances. This report contained a large amount of information so if you have any questions, please feel free to email the Treasurer at any time. Since this report is a first of its kind, please reach out if you have any suggestions.

Stonewall Sports in Raleigh has been around for nine years and I cannot wait to see how we evolve and change in the next nine. The organization has many opportunities for volunteer work so if you feel compelled to help, please reach out to anyone on the Board or the SEOC. See ya'll on the field/court!
